BGL COOKIE POLICY

<div align="right">Last update: May 23, 2023.</div>

Welcome!

Thank you for your visit! Please be aware that, by accessing our electronic portal, you trust us with your personal data and information. Our commitment is to keep your trust!

By reading this Policy, you will learn what cookies are, which types of cookies we use in our applications, for which purpose and how to configure them.

1. What are cookies?

Cookies are information collected and stored by our website while you navigate in our portal. They allow us to remember your preferences, and thus enhance your experience of use of our platform. But don't worry! You have the right to consent the use of some cookies. Let's check them?

2. Which cookies do we use and for what purposes?

The table below includes all the cookies which may be used by BGL:

COOKIE	TIME	PROPERTY	PURPOSE
Required	Persistent	Our own	Enable you to navigate in our portal and have access to all its resources. Without them, our services may suffer low performance or not work.
Required	Temporary	Third parties	Enable you to navigate in our portal and have access to all its resources. Without them, our services may suffer low performance or not work.

Do you have any doubts on the property or storage time of cookies? We will explain it to you.

a) <u>Concerning their owners</u>, cookies may be:

- Our own or primary cookies: those defined directly by the site or application being visited by its owner.

- Third party cookies: those defined by a different dominion from the one being visited by the owner;

b) <u>Concerning their lifetime</u>, cookies may be:

- Session or temporary cookies: they expire as soon as your close your web browser, ending the session;

- Persistent cookies: those which remain on your device for a given period, or until you delete them.

3. Cookie Management:

With the exception of the required cookies, which are indispensable for the good operation of our platform, the other kinds of cookies will be installed upon your authorization! Therefore, you may review your approvals whenever you find it necessary, and may accept, change or cancel them.

However, please note that our website may not work properly if all cookies are deactivated. Thus, if you wish to have the full experience of our online platform, we suggest you to please authorize the collection of all cookies.
